

HUMOR OF THE HOUR

The End in View.
Ex-Senator Lake Jones of Wayne county, O., who is known all over Ohio as the "hound, pup, steamman," from his passionate love of fox hunting, was talking with a party of old time friends in the lobby of a Columbus hotel recently.

"I have an aunt," said Jones, "who has most pronounced ideas of right and wrong and a rather exaggerated sense of justice. Nearly thirty years ago she bought a piece of property from her brother in St. Louis.

"In a dozen years the property had quadrupled in value. Today it is worth ten or fifteen times what she paid for it. As the value advanced her worry increased. Finally she mailed him a check for \$15,000, explaining that she felt that she had not paid him what the property was really worth.

"He promptly returned it, saying she had paid him all he asked for it and all it was worth at the time of the sale. But she wouldn't take no for an answer and sent it back to him.

"Now, don't you know," laughed Jones, "that check has been passing back and forth through the mails between our families for the past fifteen years."

"Did it ever fall into your hands, Lake?" asked Major Robert Eddy, Jones' friend of a lifetime, smiling meaningly.

"No," admitted Jones half sadly, "not yet."—Philadelphia Ledger.

The First Requisite of Beauty.
The first requisite of beauty is a clear complexion. Orino Laxative Fruit Syrup clears a sallow blotched complexion as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is bad. Orino Laxative Fruit Syrup does not nauseate or gripe and is very pleasant to take. Refuse substitutes. Jackson Drug Co.

The Senator's Accuser.
"I have always noticed," remarked the man who comments on things, "that the man who eats the most is not always the fattest."

"True," replied Senator Badger, "and I have also noticed that the man who talks the most is not always the wisest."—Milwaukee Sentinel.

Huge Task.
It was a huge task to undertake the cure of such a bad case of kidney disease as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone I could not sit on a chair without a pain, and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to anyone with weak kidneys, liver or stomach. Guaranteed by Jackson Drug Co. Price 50c."

Merelyless.
"What do you think of that young author?"

"Before reading his book," answered Miss Cayenne, "I thought he must be more intelligent than he looks. After reading it I have concluded that he looks more intelligent than he is."—Washington Star.

A Certain Cure For Croup.
When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail. viz: Chamberlain's Cough Remedy. Mr. M. F. Compton, of Market, Texas, says of it: "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by Jackson Drug Co.

Same as Ever.

Ally—What did your mother say when you told her that I was sorry that I'd made an idiot of myself last night?

Grace—Oh, she said she noticed nothing unusual.

The Key That Unlocks The Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age, will occasionally eat too much, or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by Jackson Drug Co.

Not on the Platform.
"Gents," said the trolley car conductor, "you mustn't stand on the back platform. Yer breakin' the rules."

"Some of 'em ain't," piped up the little man. "They're standin' on my feet."—Catholic Standard and Times.

THE SPORTING WORLD

Corbett and Hanlon.
Young Corbett, the ex-champion featherweight, is now in shape once more, and he is soon to fight Eddie Hanlon.

YOUNG CORBETT.

Hanlon defeated Corbett in their last fight, but the Denver lad believes that he can retrieve his lost honor.

Corbett has been working hard of late to regain his old time speed. Just now he is a trifle fat, but this fault will soon be remedied.

Failed.
All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the coughs, heals the lungs and prevents serious results from cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar, and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Jackson Drug Co.

Scores Football Ticket Charges.
Faculty representatives of the "big nine" athletic conference held a meeting recently in Chicago and adopted the following resolution, introduced by Professor H. F. Barton of Illinois:

"The high price of admission charged to intercollegiate games is a hardship on the student, and the large sums of money received from these games have a tendency to unduly magnify the athletic side of student life. The conference is of the opinion that no more than 50 cents should be charged for any seat, whether reserved or not, and that a less charge be made when possible."

Professor Barton said that the enormous receipts have made athletics become more important than the colleges. The question of eligibility of players was taken up, and a committee was appointed to pass upon the question of what constitutes a college. Boone, the Chicago university halfback, played some time at Hinsdale, which he and Coach Stagg assert is not a college in the common acceptance of the word.

A rule was adopted requiring each student taking part in athletics to have sufficient credit marks to admit him to the college of literature and arts and in addition a certificate showing the studies he is taking and his record in each study. This was done by professional school candidates.

Brutality was discussed, but no action was taken, that phase being referred to the rules committee.

La Grippe and Pneumonia.
Pneumonia often follows la grippe, but never follows the use of Foley's Honey and Tar. It cures la grippe coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Ogwood St., Chicago, writes: "My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely. Refuse substitutes. Jackson Drug Co."

Defies Auto Law.
There is at least one motorist in this country who has the courage of his convictions. That is Henry T. Gage, former governor of California. The ex-governor lives in Los Angeles and owns a big automobile, which he refuses to disfigure by signs. The state law requires that a license number be attached to the rear of every motor car given in the state, but the ex-governor has none, although he drives his car constantly. He holds that the law is unconstitutional and stands ready to fight to the last ditch whenever he is arrested for disobedience. Thus far he has not been molested.

An Emergency Medicine.
For sprains, bruises, burns, scalds and similar injuries, there is nothing so good as Chamberlain's Pain Balm. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one-third the time required by the usual treatment. Sold by Jackson Drug Co.

An Auto Need.
As automobiles have become too fast for various tracks and as the roads cannot be secured very often for racing, the demand has become general for a proving ground of some sort where the latest models of the automobile factories can be properly tested before being offered to the public. It is admitted that only by driving cars at high speed can their defects be brought out and remedied, and some course of ten or fifteen miles in length is required for the work.

Not on the Platform.
"Gents," said the trolley car conductor, "you mustn't stand on the back platform. Yer breakin' the rules."

"Some of 'em ain't," piped up the little man. "They're standin' on my feet."—Catholic Standard and Times.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds, which speedily developed into the worst kind of a gripe with all its miserable symptoms," says Mr. J. S. Eggleston, of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip. These tablets promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by Jackson Drug Co."

ALL CHILDREN

at birth inherit a predisposition to bodily ills and ailments—more or less serious. The stomach and bowels are the most prolific sources of ill-health. They are the hotbeds of disease, and because less attention is given them, more evil can be traced directly to them than to any other organs of the body.

Where there is the least indication of trouble or you are feeling out of sorts,

Dr. Caldwell's Syrup Pepsin

(Laxative)

should be taken at once. It is the best preparation for the stomach and bowels. If they are all out of order, it will eradicate the trouble, tone up the parts and restore them to their natural condition. DR. CALDWELL'S SYRUP PEPSIN communicates itself to the whole system and its beneficial and curative effects are pronounced and instantly experienced. It will keep you in good health. DR. CALDWELL'S SYRUP PEPSIN can be obtained in both dollar and half-dollar sizes from all druggists.

Your money will be refunded if it does not benefit you.

Your postal card request will bring by return mail our new booklet, "DR. CALDWELL'S BOOK OF WONDERS," and free sample to those who have never tried this wonderful remedy. Write for it today.
